HAPPENINGS

The District UM Fellowship Banquet will be held at Depew's Chapel UM Church, Reservoir Road, at 6:00 PM on May 19. The covered dish meal is followed by an inspirational program. The theme for this banquet is "Love in Action," and the speaker will be Kermit Addington from Kingsport. Now age 82, Kermit will share with us about four local major ministry initiatives in which he played a key leadership role: Harvest of Hope Community Garden, Friends and Neighbors (ministry to families of the homeless students in the Kingsport City Schools), Oasis (ministry with women in poverty, offering showers & toiletries, discounted laundry, sewing classes and Bible School for their children), and Open Doors (ministry providing housing and counseling for homeless families). As Mr. Addington invites us to participate in these current programs, he also will encourage us to hear what new things God is calling us to establish as missionaries for Jesus. John Powers has \$5 tickets for the banquet. Meat, bread and drinks are provided, but you need to bring a covered dish: vegetables, salads, fruit, or desserts. The ticket receipts support the scholarship fund.
